Dear Holly, Kevin and the Dream Band,

I write on behalf of the Council and the Town of View Royal to extend my appreciation to you for helping to make the View Royal Olympic Torch Relay and Community Celebration Event of October 30 such a success. Your personal care and attention to your work with the children of View Royal is invaluable and your message of sustainability is so important. Thank you for your generosity with your enthusiasm and your time.

Yours truly,

**TOWN OF VIEW ROYAL**
